

# NOTICE TO ALL UNEMPLOYED SOCIAL WORKERS AND SOCIAL AUXILIARY WORKERS TO REGISTER ON THE DATABASE OF THE DEPARTMENT OF SOCIAL DEVELOPMENT

The Department of Social Development (DSD) invites all unemployed Social Workers and Social Auxiliary Workers to register on a database aimed at keeping a record of all unemployed qualified graduates of the mentioned fields in the country. This call is in response to the broader government goal of facilitating access to employment and economic opportunities for young people in the country.

Registration on the database of unemployed social work / social auxiliary worker graduates will be a tool to improve the broader human resource planning in the country and create opportunities for a common pool for recruitment by all potential employers. The database will also inform the department about the number of unemployed graduates who have studied outside the Social Development scholarship programme in preparation for an inclusive absorption plan for the said graduates.

Registration forms can be accessed from [www.dsd.gov.za](http://www.dsd.gov.za) (scholarship link) and Department of Social Development (FACEBOOK page).

- Unemployed social work - **FORM A**
- Social auxiliary worker - **FORM B**

Those who qualify and are interested in registering must submit a correctly completed form to the relevant Provincial Department of Social Development. No electronic submissions will be accepted.

## Disclaimer:

This form is not an application for employment and therefore does not guarantee employment by the Department of Social Development, other government departments or any sector partners. Any advertisement and subsequent applications for employment of unemployed social workers and social auxiliary workers will follow prescribed recruitment and selection processes as determined by DPSA and other employers in other sectors.

Inquiries can be made with the following officials:

**Ms K Fokase: 012 312 7223** and

**Mr K Nku: 012 312 7584**

**Closing date: 29 March 2019**
